

CECO Environmental Receives European Order and Maintains Record Backlog

PRNewswire-FirstCall

NEW YORK

CECO Environmental Corp. , reported today that its wholly owned subsidiary, BUSCH International, has received an order from a French based engineering company for the BUSCH patented *JetStar strip cooling unit for a steel mill in Slovakia. The *JetStar unit will allow the mill to maximize production on a galvanizing line. The value of this order is \$680,000.

CECO also reports that bookings for the month of April were \$10.9 million, maintaining CECO's estimated backlog at its record level of \$26 million as of the end of April.

Phillip DeZwirek, Chairman and CEO of CECO Environmental, stated that, "the quotation level and bookings remain very strong and will be reflected in the results for the second half of CECO's fiscal year ending December 31, 2005."

ABOUT CECO ENVIRONMENTAL

CECO Environmental Corp. is North America's largest independent air pollution control company. Through its six subsidiaries -- Busch, CECOaire, CECO Filters, CECO Abatement Systems, kbd/Technic and Kirk & Blum -- CECO provides a wide spectrum of air quality services and products including: industrial air filters, environmental maintenance, monitoring and management services, and air quality improvements systems. CECO is a full-service provider to the steel, military, aluminum, automotive, aerospace, semiconductor, chemical, cement, metalworking, glass, foundry and virtually all-industrial process industries.
