

CECO Environmental Announces Seven New Orders Totaling \$5 Million

PRNewswire-FirstCall

CINCINNATI

CECO Environmental Corp. , a leading provider of air pollution control and industrial ventilation systems, announced today that it has received seven new significant orders totaling approximately \$5 million.

Rick Blum, President and Chief Operating Officer, commented, "These orders were secured by our Kirk & Blum, Fisher-Klosterman, Effox, and H.M. White subsidiaries. They involve work in the automotive, power, minerals, and foundry industries. The largest order is for oil mist collection equipment for an automotive related company. The project, secured by Kirk & Blum, will feature fiber bed mist collectors utilizing CECO Filters' fiber bed technology."

Phillip DeZwirek, Chairman and Chief Executive Officer, commented, "The mist collection project is another example of our vertical integration strategy working. Two of our companies, working together, are providing a complete turnkey solution for this customer."
