PRNewswire-FirstCall

CINCINNATI

CECO Environmental Corp. (NasdaqGM: CECE), a leading provider of air pollution control and industrial ventilation systems, announced today that it has received two new orders totaling approximately \$2.5 million for customers in the power and renewable energy industries.

Rick Blum, President and Chief Operating Officer, stated, "Both of these orders were secured by units of our equipment group. Opportunities that we see in both of these sectors continue to be strong. "

Phillip DeZwirek, Chairman and Chief Executive Officer, stated, "The order received in the power industry is an outgrowth of our efforts to grow our presence in that industry internationally. The order was received from a European concern and is for equipment that will be shipped to the Middle East."
