PR Newswire

CINCINNATI

CINCINNATI, Aug. 4, 2015 /[PRNewswire](#)/ -- **CECO Environmental Corp.** (NasdaqGM: CECE), a leading global Environmental, Energy and Fluid Handling technology company, today announced the recent appointment of Stephen M. Fritz as Vice President of Aftermarket effective July 20, 2015. Mr. Fritz is responsible for growing CECO's aftermarket presence with both existing and new customers across all three business segments and will report directly to Jeff Lang, President and Chief Executive Officer.

Mr. Fritz has 24 years of experience working in a global industrial diversified manufacturer. Prior to joining CECO Environmental, he served as Vice President, Services Offerings, Global Services and Director of Services Marketing, Americas for Ingersoll Rand Company. In that position, he was responsible for driving organic growth through innovative aftermarket product and service offerings.

Jeff Lang, President and Chief Executive Officer of CECO Environmental, commented, "The aftermarket, services and recurring revenues business is a key strategic growth area for CECO and we have been working hard to build up this opportunity across our significant installed base. I am very pleased to welcome Steve to the CECO team where he will play an important role in helping us achieve our aftermarket goals. I believe the aftermarket strategy warrants a dedicated senior position and Steve will be filling this newly created role at CECO. His business acumen and disciplined approach to measuring performance from a process and metrics standpoint will be invaluable in helping CECO drive performance."
