CECO Environmental To Present At The 20th Annual Needham Growth Conference On January 17th

January 8, 2018

DALLAS, Jan. 8, 2018 /PRNewswire/ -- **CECO Environmental Corp. (Nasdaq: CECE)** today announced that Dennis Sadlowski, Chief Executive Officer, will present at the 20th Annual Needham Growth Conference on Wednesday, January 17th at 8:40 AM eastern time in New York, New York. The presentation will be available on the Investor Relations section of the Company's website: www.cecoenviro.com.

ABOUT CECO ENVIRONMENTAL

CECO is a diversified global provider of leading engineered technologies to the energy, environmental, and fluid handling and filtration industrial segments, targeting specific niche-focused end markets through an attractive asset-light business model. We provide a wide spectrum of products and services including dampers & diverters, cyclonic technology, thermal oxidizers, separation and filtration systems, selective catalytic reduction and selective non-catalytic reduction systems, scrubbers, dampers and silencers, exhaust systems, fluid handling equipment and plant engineered services and design build fabrication. CECO's products play a vital role in helping companies achieve exacting production standards, meeting increasing plant needs and stringent emissions control regulations around the globe. The company serves a broad range of markets and industries, including power, municipalities, chemical, industrial manufacturing, mid-stream pipeline natural gas transmission, refining, petrochemical, metals, minerals & mining companies, as well as hospitals and universities. CECO targets its $5 billion+ of installed base, specifically to expand and grow a higher recurring revenue of aftermarket products and services. CECO is listed on Nasdaq under the ticker symbol "CECE." For more information, please visit www.cecoenviro.com.
